

# BRINGING GIRL UP TO CONACKAMACK

(2018-19)

Girl Up, the United Nations Foundation's adolescent girl campaign, supports the empowerment of girls everywhere. Girl Up provides leadership training and gives girls tools to become gender equality advocates and activists. Through these programs, girls broaden their social impact skill set, receive a platform to tell their stories, and apply STEM for social good. Our girl leaders create real policy change at local and national levels, raise millions of dollars to support United Nations programs that reach tens of thousands of girls all over the world, and build community-based movements. Girl Up Clubs are full of dedicated youth who have joined together to take action and change lives, empowering both people in their own communities and help adolescent girls in developing countries to rise up.

In this club we will host five Girl Up activities, submit semester and activity reports, build our membership, stay active in the Girl Up Community website, and participate in fundraising challenges. We will have meetings every other Monday, with our advisor, Ms. Bentivenga.

- My child takes the bus; they will take the late bus home. I understand that the late bus stop may be different than the daily bus stop, and that it may take up to an hour to be dropped off.
