**Academic club: Math & Science**

**2018-19**

**Advisor: Mrs. Fanik**

The academic club is to promote excitement, enthusiasm, and positive attitudes toward mathematics, and science. The academic club is for all students who enjoy math and science and want to do well. The club will also have games to have fun while sharpening our minds.

It is open to all students who would like extra help in math and science. The teacher will provide assistance and reinforce concepts students struggle with.

Students are expected to follow all middle schools policies and procedures. Any student who fails to comply with any of rules and procedures will not be allowed to participate in the club meetings.
