Chess is a game that has entertained and sharpened minds for centuries. This spring, students of Conackamack Middle School will have the opportunity to join our Chess Club and enjoy this timeless game with their peers.

Players of all ability levels are encouraged to join. Participants will learn and practice through experience, playing the game with their peers.

Conackamack Chess Club will take place on Mondays in room 114 from 2:30 until 4pm. If you are interested in joining our club, please complete this permission slip and bring it with you to your first meeting.
