

# Piscataway READS!

*Promoting reading and literacy in our community*

## **CELEBRATING DIVERSITY CONTEST**

*One of the great things about our Piscataway Community is its diversity. Our diversity gives us strength, understanding, knowledge, wisdom, empathy, and rich opportunities. How has diversity played a part in your life? How do you see diversity? We hope you feel strongly enough about your experience with diversity to give expression to that in some form.*

- In any form you choose – short story, song, art, video, oral history, etc., - express your vision of “Celebrating Diversity.”
- You should be able to present – read, show, sing, dance, etc., - your piece within five minutes.
- Ask your teacher to send your entry to Mr. Robert Coleman at the School Board Office.
- Entries must be received by March 10, 2017.

If you have questions, contact Mr. Coleman at [rcoleman@pway.org](mailto:rcoleman@pway.org) or call 732-572-2289, ext. 2589.
