January 3, 2017

Dear Conackamack Families,

It gives me great pleasure to welcome Dr. Maria A. Cetta to Conackamack as our Assistant Principal. As you may know, Mr. Peter Sozio retired as of December 31<sup>st</sup> after many years of service to Piscataway at both Quibbletown and Conackamack. We are grateful for his many contributions to our district.

Dr. Cetta comes to us with a wealth of experience. In addition to her prior experience as a teacher of middle school students, Dr. Cetta has also been a teacher and Dean in Piscataway at our high school. Dr. Cetta also completed her Ph.D. studies at Capella University with an emphasis on Social Justice. We are truly fortunate that she is joining our team here at Conackamack, and we are looking forward to continuing to provide high-quality leadership for our students, staff, and community.

Please take a moment to stop by to welcome Dr. Cetta during the school day, or at an upcoming PTO event!

Donna DeAngelis White  
Principal, Conackamack Middle School
