Family Night Open House at The Haven

Come to our open house and learn
about the services we offer to
students and families!

Also, come to learn about:

- Improving communication with your teen
- Managing your child's behavior
- Getting along as a family
- Community services and resources

Toy Drive: Please note we are also accepting donations of gently used toys and books.

The Haven

The Haven is a partnership between the Piscataway Public Schools and Rutgers University's Center for Applied Psychology to enhance student success and well-being. We work closely with parents to build healthy structure and support in the family, and assist in accessing needed services. Our approach incorporates the most current psychological research and programs.
