

PISCATAWAY SCHOOLS INVITES YOU TO BE A PART OF OUR STRATEGIC PLANNING

Help us plan the future! Working together, parents, neighbors, teachers, and administrators will create a shared vision for Piscataway Schools. Together, we will develop goals and objectives to move the District forward to meet the challenges of the 21st Century.

An introductory meeting will take place on Monday, October 15, 2018, at 7pm in Room F100 at Piscataway High School. This meeting will be facilitated by representatives of the New Jersey School Boards Association, who will explain the strategic planning process, and how stakeholders can best contribute their thoughts, plans, and hopes for the future.

Why Strategic Planning?

- ⇒ To create a future vision for Piscataway Schools
- ⇒ To promote leadership
- ⇒ To engage the community in the planning process

Strategic Planning Answers Three Questions:

1. Where are we today?
2. Where do we want to be in the future?
3. What should we focus on today, to make it more likely we will meet our future goals?
