Dear Middle School Parents (of **Current 6th and 7th Graders**),

As you know, we offer middle school parents damage insurance for your child's district issued iPad on a yearly basis. The current cycle of iPad insurance (2016-2017 school year) expires on June 30, 2017.

iPad insurance for the 2017-2018 school year needs to be purchased through Community Pass (directions are attached) from April 18, 2017 through June 30, 2017. This new insurance policy will be effective for a 12 month period - July 1, 2017 through next June 30, 2018. The full yearly price for this insurance is only \$45 and will cover all damages up to 3 claims/repairs. This insurance does not cover any intentional damage, lost, or stolen devices.

Once again, Community Pass will be open for insurance purchases from Tuesday, April 18th through Friday, June 30th. Please take advantage of this great offer; the average cost of an uninsured claim is \$160. Further details about the iPad program will follow later in the spring.

Thank you.

Assistant Superintendent
